

ST. MARGARET SCHOOL

St. Margaret School will provide a firm educational foundation of religious values and academic knowledge for each student in a Catholic nurturing environment.

March 20, 2020

Dear parents,

Today we wrap up our first week of distance learning. We appreciate the feedback you gave us and we will be making adjustments for next week. Thank you for all of the efforts you are making to help your child continue to learn and complete their work. Do not hesitate to email your child's teacher with any questions.

The drop-off of completed work and pick-up of week two materials will take place again on Monday from 8:00-11:30 for kindergarten through 4th grade students. This Monday we are asking you to just pull up in the circle drive and a staff member will bring your child's materials to you and will take anything that needs to be turned in. Out of an abundance of caution we are limiting access to the building. Middle school students do not need to drop off or pick-up any materials. Middle school will receive an email today from Mrs. Dennany regarding next week's work.

As of right now, distance learning will continue to take place through April 3rd. The following week, April 6th-10th will still be our scheduled Spring Break so no schoolwork will be assigned during that week. As you know, this is an ever-changing situation. I will update you on any new developments when I become aware of them.

Soon you will be receiving an email from your child's teacher regarding a Virtual Reading Month.

We appreciate your patience and support during this time.

Thank you,

ST. MARGARET SCHOOL

St. Margaret School will provide a firm educational foundation of religious values and academic knowledge for each student in a Catholic nurturing environment.
