

There's No Fun Like Snow Day Fun!

Snow Days are a little gift from God allowing us some extra, unexpected family time. On each Snow Day this year, we will have a fun activity for your family to do together. We will post the Snow Day Challenge on Facebook and you can share pictures of your family completing each activity in the comments. Each student that participates and posts a picture will have their name entered into our Snow Day Drawing for a chance to win a small prize. If you are not on Facebook or do not want your child's picture posted, you can email your picture to Tina Denny at tdenny@stmargaretschool.net. We will also have the Snow Day Challenges posted on our school website. www.stmargaretschool.net

Snow Day #1: Hello Snow!

- Do something fun in the snow such as build a snowman, igloo, or snow angels; go sledding, skiing, or snowboarding, or have a good old-fashioned snowball fight. You could even create a new game to play in the snow, or bring the snow inside to play.

Snow Day #2: Winter Wonderland

- Color, draw, or paint a picture of a winter wonderland. You can even use construction paper to decorate your bedroom/house to look like it's snowing inside.

Snow Day #3: Baking Buddies

- Help your parents cook breakfast, lunch, or dinner, or take some time to bake cookies, brownies, dog biscuits, or some yummy treat.

Snow Day #4: Imagination Station

- Use your imagination to build something fun and unique such as a fort, house of cards, build with Legos, or build a structure out of snow such as an alligator or a cave.

Snow Day #5: All Aboard!

- Line up your kitchen chairs to look like a train, get some hot chocolate and cookies and watch the Polar Express or your favorite winter/snowy movie. You could also read or listen to your favorite story on your train or in your favorite reading spot in your house.

Have Fun and
Happy Snow Days!
