

ST. MARGARET SCHOOL

St. Margaret School will provide a firm educational foundation of religious values and academic knowledge for each student in a Catholic nurturing environment.

January 7, 2022

Dear parents and guardians,

While COVID-19 continues to be a public health concern, St. Margaret School is required to keep track of students and staff who test positive for COVID-19 and any quarantine orders. We must also inform families of positive COVID-19 cases impacting our building (MCL 333-2252.)

Please understand that when a case is reported in a building, it does not imply your child was directly exposed to the positive case.

This letter is to notify you that a staff member has tested positive. The staff member was last at school on January 5th. The case has been reported to the ACHD and they will contact any close contacts.

Thank you,

Erin Warnez
Principal, St. Margaret School
