

# St. Margaret School

## Alumni Update

### Fall 2019

**WELCOME BACK TO SCHOOL!**

### Did you know?

St. Margaret School has been a constant presence in our community for 60 years and has educated one, two, and even three generations of families to serve God in body, mind, and spirit.

Happy Fall!

Here in Michigan we are reaching peak color and God's glory is truly shining all around. St. Margaret School began its 60<sup>th</sup> school year on August 20<sup>th</sup>, and students are back into the midst of learning and having fun.

I write this to you as a fellow alumni and current parent at St. Margaret to keep you connected and up to date on all the happenings, many of which may seem like a walk down memory lane for you. Throughout the year we will have events that we hope you can attend to revisit times here, such as the Halloween Carnival, Christmas program, and Catholic Schools Week. Or you can visit the school's Facebook page to get a pulse on our day to day happenings.

If you have any questions or comments, please feel free to e-mail us at [sms@stmargaretschool.net](mailto:sms@stmargaretschool.net). We look forward to hearing from you!

In Christ,

Kim Wall

## BACK TO SCHOOL MASS WITH THE BISHOP

On September 12<sup>th</sup>, St. Margaret School went to Wings Stadium to celebrate the new school year with Bishop Bradley. Each year, this tradition is a great way to bring together the different schools for prayer, worship, and to learn from our Bishop. This is one way we celebrate our Catholic heritage with others.

## VIRTUES IN PRACTICE

One of the ways students learn to live their faith is through virtues.

Throughout the year at St. Margaret School, the students learn about and practice one new virtue, or good habit.

This practice is reinforced and parents are given activities to help cultivate and continue to practice at home.

## TITANS ON THE MOVE

---

This year we started a new initiative called “Titans on the Move”. Students and staff walk, run, or stroll along a designated track twice a week and pick up a popsicle stick with a motivational saying for each lap. These sticks are counted and converted into laps. Milestones, such as 5 and 10 miles, are celebrated together.

The kids are having a blast and love getting their sticks, and being happy and healthy together is even better!

## 28<sup>TH</sup> ANNUAL HALLOWEEN CARNIVAL

---

The end of October is here, and if you have graduated in the past 27 years, you know that means it's Halloween Carnival time! This year the carnival will be on October 26<sup>th</sup> from noon until 4 p.m. Feel free to come and celebrate with us!
