

The Heart of Success

ST. MARGARET
SCHOOL

At St. Margaret School, We Guide Our Children To...

Develop a Meaningful Education

St. Margaret School provides a challenging, thorough, accredited *pre-school through grade 8 curriculum centered around the Catholic faith* - all supported by *highly qualified and certified teachers*.

Achieve Academic Excellence

Students are given a well-rounded full curriculum, encompassing *Language Arts, Mathematics, Science, Social Studies, Foreign Language, Music, Art, Physical Education and Computer Science*.

Instill Faith and Values

Regardless of your religious affiliation, we foster a deep faith in God through a disciplined approach including *Religious Studies, Bi-weekly and Holy Day Mass attendance, Daily Prayers and Prayer Services, and Rosary Study*.

Develop Character

We help contribute to the development of self discipline, confidence, perseverance, teamwork, and leadership skills by offering an array of extra curricular activities: *Sports, Ski Club, Band, Chess Club, Music, Student Council, School Newspaper and more*.

Create a Sense of Community

Our children learn that they are unique members of God's family and that they can make a difference by getting opportunities throughout the year to reach out and help themselves and others by participating in *Student Mentoring Program, School and Parish Funding Raisers, Community Services, Specialized Programs for Needy Countries, and more*.
